Your number is less than the number we're thinking of.

You've currently guessed 5 times, please guess a number between 1 and 100:
Your number is less than the number we're thinking of.

You've currently guessed 6 times, please guess a number between 1 and 100:
Congratulations! It only took you 7 guesses to guess our number.

It's now round 1. What do you throw? (1 = Rock, 2 = Paper, 3 = Scissors):
Congratulations! You won round 1.

It's now round 2. What do you throw? (1 = Rock, 2 = Paper, 3 = Sissors): Oh no!
Computer won round 2.

It's now round 3. What do you throw? (1 = Rock, 2 = Paper, 3 = Sissors): Oh no!
Computer won round 3.

Calculate the sum of 38 and 45.

Congratulations, you are correct!
